Cooper Hereford Ranch

49th Annual Production Sale

Tuesday, March 10, 2015

SELLING

- 85 Powerful Yearling Bulls
- 20 Top Quality Yearling Heifers
- 10 Young Bred Cows

Genetics you can count on

Line One since 1947

Welcome

Greetings fellow cattlemen and women. I would like to welcome you, on behalf of my family and crew, and thank you for showing interest in our program. Another year of outstanding cattle prices have lifted spirits and enduced enthusiasm in the cattle community and agriculture industry at large. Times are good, and the Hereford industry is set to make a big impact on herds throughout the country and accross the globe.

We are very excited about, and pleased with the set of bulls we have to offer you this year. Our program was founded over 60 years ago and built upon the belief that by maintaining a strong performance line-breeding program we could improve the uniformity and predictability of our cattle. Our intent was to provide a superior product to our customers and build a program they could turn to for outstanding genetics. In order to achieve such results, we found it necessary to abide by a strict culling program. Just as we did then, we continue to cull our cattle rigorously and select for traits that keep our customers satisfied. We place a huge emphasis on maternal traits and believe our cows are some of the best in the breed. Udder quality, milkability, and stayability are extremely important in our operation, as are calving ease, performance and carcass traits. Our cattle may not be perfect, but each year we strive to make them better and more suited to fulfill our customer's needs. Thank you, again, for turning to us for your breeding stock.

DVDs of sale cattle are available upon request or can be viewed on our website. The auction will be broadcast by Superior Productions (aired on Rural TV channel 232 on Dish Network) and streamed over the web by LiveAuction.TV.

Cattle will be on display at our ranch March 6th, 7th, 8th and 9th. Please drop by anytime. Coffee and donuts will be served sale day morning with a lunch following at 12:00 PM MST. Please join us for dinner at the Willow Creek Café following the sale from 5-9 PM.

Thank you for your continued interest and trust in our program. We look forward to seeing you in March.

Thank you for supporting our progra

Topped our 2012 Productions Sale at $160,000. 105Y has proven to be a complete genetic package combining calving ease, performance, and cow power. Dam is a short-marked, red-necked 732T daughter with 100% eye pigment. She ranks in the top 1% of the breed for Milk, and M&G, and top 10% for CED, BW and teat size. 105Y's first daughters are in production and have exceeded our expectations. A great set of low birth weight, highly maternal bulls sell.

Outstanding set of bulls sell with the commercial man in mind.
Owned with: Pedretti Ranches & Hoffman Herefords.

A Pedretti-bred bull we have used AI in our program. He is a terrific calving-ease bull who's progeny don't sacrifice performance or carcass traits. A line-bred bull with a low, 24% in-breeding coefficient. He is a short-marked, red-necked bull with tremendous length and depth of rib.

- Top 1% of the breed for CED, CHB
- Top 5% for YW, M&G, and BMI Index,
- Top 10% for BW, and Scrotal; Top 18% or better for REA and Marbling.

Owned with B&D Herefords.

Third highest selling bull in our 2012 production sale at $40,000. Sires progeny with tremendous length of body, spring of rib, and muscle. 1108Y scanned a 14.71 REA and posted a strong adj. 365 day wt. (1320 lb.) His sons are stout, deep bodied, and very correct in their structure. Lots of bred-in maternal strength from the 617S cow family.

- Top 1% of the breed for Milk, M&G; Top 18% for REA.

We purchased 0118X in Holden's 2011 production sale. He is a complete package, siring low birth weight calves with added depth of rib and muscle. 0118X has 100% eye pigment, lots of natural thickness and eye appeal. A trait leader in milk, mature cow weight, udder suspension and teat size. Daughters are in production at our ranch and they look awesome.

Owned by: B & B Cattle Company, Coleman Herefords, & Jamison Herefords.

We retained half possession of this bull that sold in our 2013 production sale. A short-marked, calving-ease bull with bred-in maternal strength. 215Z's progeny exhibit the kind of performance traits and carcass data we continually aim for in our breed. Breeding beyond our expectations; we anticipate his females will have a big influence in our program.

- Top 10% or better for BW, WW, YW, Milk, M&G, Marbling and CHB Index.

Owned with B&D Herefords.

Topped our 2013 Production sale at $80,000. 216Z combines calving-ease, performance and maternal power into one complete, solid package. He is very smooth through the shoulders with a lot of natural thickness and fleshing ability. A trait leader for CED, YW, Milk, M&G and CEZ Index. Also ranks in the top 15% of the breed for BW and Scrotal. Sons in the sale are among some of our best.

Our pick at Holden Hereford's 2013 Production sale. 2005Z is a short-marked, deep-ribbed bull with exceptional spring of rib and a big, thick hind quarter. He sires calves with moderate birth weight, good pigment, and extremely good Marbling. Backed by one of Holden's stronger cow families. 2005Z scanned a 114 Marbling ratio and sons have averaged a 113 Ratio. Looks to be very predictable for that trait. Quality sons sell with good carcass, and maternal strength.

We purchased a semen package on this Holden bred bull that topped their sale in 2013 at $80,000. One of the better bulls sold that year, he's a thick butted, deep sided bull with tons of performance. He is fault free on the move and exudes style and class. 2037Z's dam is a full sister to 8050U and the $95,000 high selling cow 6155S. Offspring are loaded with muscle and performance.

Terms/Conditions

All sales are cash unless arrangements are made with seller prior to the sale. Each animal will be sold to the highest bidder with the auctioneer settling any disputes. The animal becomes the property of the purchaser as soon as sold. Any death or injury thereafter falls upon the buyer. All animals in the sale are guaranteed breeders. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition and in compliance with the health regulations of Montana. The seller reserves the right to try said animal for six months, and if it proves a breeder, to return it to the buyer at the buyer's expense. If an adjustment is required, it will be made with a replacement animal of equal value or credit on the purchase of another animal. No adjustments will be made after (9) months of sale day. Any person attending the sale does so at his/her own risk. Neither the owners nor any person associated with the sale assumes any liability, legal or otherwise.

CL1 Domino 403B

BD: 12/30/2013 43465727 Tattoo: 403

A stylish, clean-fronted, sure-fire calving ease bull with superb performance and carcass data. Outstanding EPD's that are difficult to find in line-bred genetics. Unmatched numbers across the board for CE, BW and YW; great maternal numbers, and solid REA and Marbling.
Retaining 1/4 in-herd semen interest.

- 74 lb. actual BW; 792 lb. 205 day wt.; 1278 lb. adj. 365 day wt.
- Scanned a 14.60 REA, 1.16 inch REA/100 lbs.
- Marbling Ratio 112
- Ranks in the top 2% of the breed for CED, BW, M&G and Marbling
- Top 5% for WW, Milk, BMI Index, CEZ Index and CHB Index

CL1 Domino 412B

A stylish 216Z son that, phenotypically, doesn't have many holes. 412B is stout, with good depth of rib, and big through his top. A free moving bull that travels out like a herd bull should. He is red to the ground and has 100% eye pigment. A tremendous calving-ease prospect with a great spread from birth to yearling. He is a complete package, combining eye appeal with performance, and strong marbling numbers. Dam is a feminine 9016W daughter with a beautiful udder. **Retaining 1/4 in-herd semen interest.**

- 82 lb. actual birth wt.; 815 lb. weaning wt.

Eye Pig: L - 50 R - 100 **Scrotal**: 33 **REA/100lbs.**: 1.03 **Pelvic**: 166

A short-marked, red-necked 177R son with 100% pigment. 427B is a calving-ease bull with good performance numbers and a pedigree full of maternal strength. A bull that will produce a lot of good daughters for your herd; the numbers suggest it and the pedigree pretty much guarantees. Dam is a maternal half sister to Holden's 297Z bull.
- Top bull in the sale for Marbling ratio (188)
- 2nd highest marbling EPD in the sale

CL1 Domino 427B

AHA GE·EPD

- Scanned a 1.03 inch REA/100 lbs.
- Top 18% or better for CED, WW, Scrotal and BMI Index
- Top 2% of the breed for Milk, M&G, Marbling and CHB Index

Eye Pig: L - 80 R - 95 **Scrotal**: 37 **REA/100lbs.**: 1.03 **Pelvic**: 132

This 215Z son is out of an outstanding cow family. A bull with lots of power, he will surely impact your herd in multiple areas. He's loaded with thickness, volume, and performance, in a structurally superb package. Smooth through the shoulders with good neck extension, 465B is loaded with eye appeal and moves out like a herd bull. Maternal half-brother topped our 2014 sale at $45,000 selling to Lowell Fisher Herefords, The Berry's, and K7 Herefords.

- 85 lb. actual birth wt.; 810 lb. actual weaning wt.
- Scanned a 1.03 inch REA/100 lbs
- 2nd highest Marbling ratio (155)
- Top 2% of the breed for Milk, M&G and Marbling
- Top 10% CED and BW
- Top 25% WW, Teat Size, Scrotal, CHB Index

Eye Pig: L - 100 R - 100 **Scrotal**: 34 **REA/100lbs.**: 1.01 **Pelvic**: 144

This 215Z son combines performance and cow power into one complete package. He has 100% eye pigment, is structurally sound, and smooth through the shoulders with good neck extension and loads of eye appeal. A bull sure to impact your herd in multiple areas. Dam 617S, has been a foundation cow in our herd. She sold to Baumgarten Herefords in our 2014 sale for $25,000.
Retaining 1/4 in-herd semen interest.

This bull carries loads of natural thickness, length of body and muscle. Excels in maternal traits and marbling. Full brothers sell as Lots 4183B and 4185B. Full sister sells as a Choice Lot.

- 710 lb. weaning wt.; 1276 lb. adj. 365 day wt.
- Strong Marbling ratio 130
- Top 1% of the breed for Marbling
- Top 10% or better for Milk, M&G, Scrotal and CHB Index
- Dam ranks in the top 5% for Milk, M&G and Marbling.

AHA GE-EPD

A clean-fronted, short-marked 216Z son with length of body, depth of rib and eye appeal. A stout, calving-ease bull out of a highly maternal cow family. He is sure-footed bull with a big top, loads of natural thickness, and 100% pigment. Dam was a favorite amongst our crew and excels in calving ease and maternal traits. She sold in our 2014 Production sale to Holden Herefords for $20,000.

- 88 lb. actual birth wt.
- 800 lb. weaning wt. with a strong 1342 lb. adj. 365 day wt.
- Scanned a 1.05 inch REA/100 lbs.
- Top 5% of the breed for Milk; Top 10% CED and M&G
- Top 40% or better for BW, WW, YW, CEM, Udder Suspension and Teat Size

A powerful flush coupling "215Z" and "617S"; six heifers to choose between. "473B" is a really nice female; she is feminine in her look, solid-marked, with 100% pigment, depth of rib, and loads of maternal strength. Dam "617S" has had a major impact on our herd and we are excited about these flush mates. Full brother sells as Lot 4163B.
- Top 1% of the breed for Milk and M&G

A powerful heifer with loads of volume and balance. Plenty of "cow power" in this flush of females. 4151B is bold in her stature, with loads of eye appeal, 100% pigment and as much maternal strength as any heifer in the sale. Dam "7136T" has been a tremendous donor cow. A great opportunity to get a really nice female. Four heifers to choose between. Dam "7136T" sold to Holden Herefords in our 2014 sale for $20,000. Full brother sells as Lot 4168B.

An outstanding flush consisting of six "177R" heifers. 4189B will likely rank among the top of this group in many cattlemen's minds. She is very feminine and bold in her look; upheaded, clean-fronted, and splashed up with as much pigment as any heifer in the sale. A total package combining calving ease, performance, maternal, and carcass.

1st Annual *farm-to-table* Field Dinner

Cooper Hereford Ranch hosted our first Field Dinner last August.
It was a HUGE success.
We are looking forward to another this summer

Many thanks to all who attended our 2014 sale.
We appreciate your confidence in our program &
thank you for your business & support.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that ***all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com***

HERE'S HOW IT WORKS:

Turn in Bids Over the Phone.
This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com.You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid.
This is Superior's online bidding program for cattle buying. ***Please note that high speed internet is required – this is not for dial-up or satellite internet.*** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction
The sale will be broadcast via satellite on Dish Network channel 232 (RURAL TV). Please note that there is a short delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at www.superiorclicktobid.com – just go to the home page and select the auction. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

Cooper Family & Crew

We would like to thank the group of professionals working ringside and on the auction block at our sale each year. Thanks also to all those who contribute theif professional services throughout the year and help to have our cattle looking the part come sale day.
